# Quality Parks Master Naturalist Cooperator Confirmation

AGREEMENT MADE {date}: _____ by and between: {Cooperator}

_____ (hereinafter referred to as Cooperator) and Quality Parks.

A collaborative relationship is being established wherein:

1) Quality Parks and the Cooperator will promote through social media, publications and other opportunities, the Quality Parks Master Naturalist (QP Master Naturalist) program. The QP Master Naturalist program won't be offering the more specialized training that the Cooperator may be offering.

2) The Cooperator may provide a list of community service options for QP Master Naturalists students that will be both a benefit to their training as master naturalists and to protected natural areas.

3) Quality Parks and the Cooperator(s) will have the opportunity to review, comment, and edit the QP Master Naturalist Handbook for quality assurance and improved training purposes.

4) Any protected natural area monitoring data, collected by the QP Master Naturalist students as part of their homework assignments, will be shared.

This agreement must be signed by the Cooperator in duplicate. The Coordinator should keep one copy for his/her records and one copy should be returned to Quality Parks. If these obligations are not fulfilled, either party may declare the Agreement null and void in all regards.
